Foreword

School is a kaleidoscope of changing patterns repeated year after year . . . classes . . . organizations . . . dances . . . parties . . . graduation. Although the patterns change, together they represent school life at McDonald High School.

Memoir of a Principal

His hands were calloused but gentle, and his grip powerful, but soothing. His explanation of quadratics was as vivid as his description of a freshly plowed field. His love of athletics and the out-of-doors was only surpassed by his desire for scholastic achievement. His presence was hearty yet never overbearing. His glance, appreciative and knowing, shone and enlightened all just as the sun spreads its rays about the universe. His wide variety of cheerful tales and yarns was only exceeded by his methods of arousing a student's intellectual curiosity. Although in a physical sense Mr. Herbert Hadley has retired from McDonald High, he remains in the minds of the students and faculty.

Student Body Chooses Bonnie

For the first time in five years good weather permitted the Homecoming ceremonies to be held out-of-doors. The student body selected Patti Borecki, Bonnie Essad, Shirley Hapcic, Martha Rishel and Ruth Walls as the 1965 court and from these five, Bonnie Essad was chosen queen. Patti Lowers, the 1964 queen, was present to crown her.

Jon Barb, President of Student Council, presented her with a bouquet of roses and Mary Bright, G. A. A. representative, gave her a bracelet in behalf of the organization.

After the football game, the queen and her court were escorted to the school gym where a dance was held in their honor.

Essad 1965 Homecoming Queen.

Gifts and kisses are bestowed on the newly crowned homecoming queen, Miss Bonnie Essad. Representatives of student council and G. A. A. show their approval of the evening's festivities.

With the thrill of the crowning over, the evening draws to a close in an atmosphere of fun and excitement at the annual Homecoming dance.

The Y-Teens is a service organization dedicated to satisfying the needs of the community. This year, October 15, was Y-Teen day in the Youngstown area. Y-Teens dressed in blue and white and wore small pins symbolizing membership. November 19 was the annual "Sadie Hawkins Party" for Y-Teen members and their escorts. On November 26, the Youngstown Y.W.C.A. held its annual "Touchdown Toddle" at Idora Park Ballroom. In November and December the girls in Y-Teens collected and repaired toys for unfortunate children in the area. All year round Y-Teens babysit for the P.T.A. parents. The Girls Athletic Association, one of McDonald High School's oldest organizations, provides for girls in grades nine through twelve the opportunity to participate in and enjoy a planned program of intramural volleyball and basketball games. To make G.A.A. games more active and interesting, Miss Modarelli instructs the girls in the proper techniques of shooting a basketball.

Royal Swans Present 14th Annual

Members of the Swan Club do some last-minute practicing to assure perfection of their routine, Baby Elephant Walk.

The members of the Royal Swan Club work many long, hard hours to prepare their annual swim show. The girls, along with their advisor, Miss Modarelli, select a theme, pick music, prepare routines, make costumes, and plan scenery to fit the theme.

Each member works very hard and the club does its best to have a great show each year.

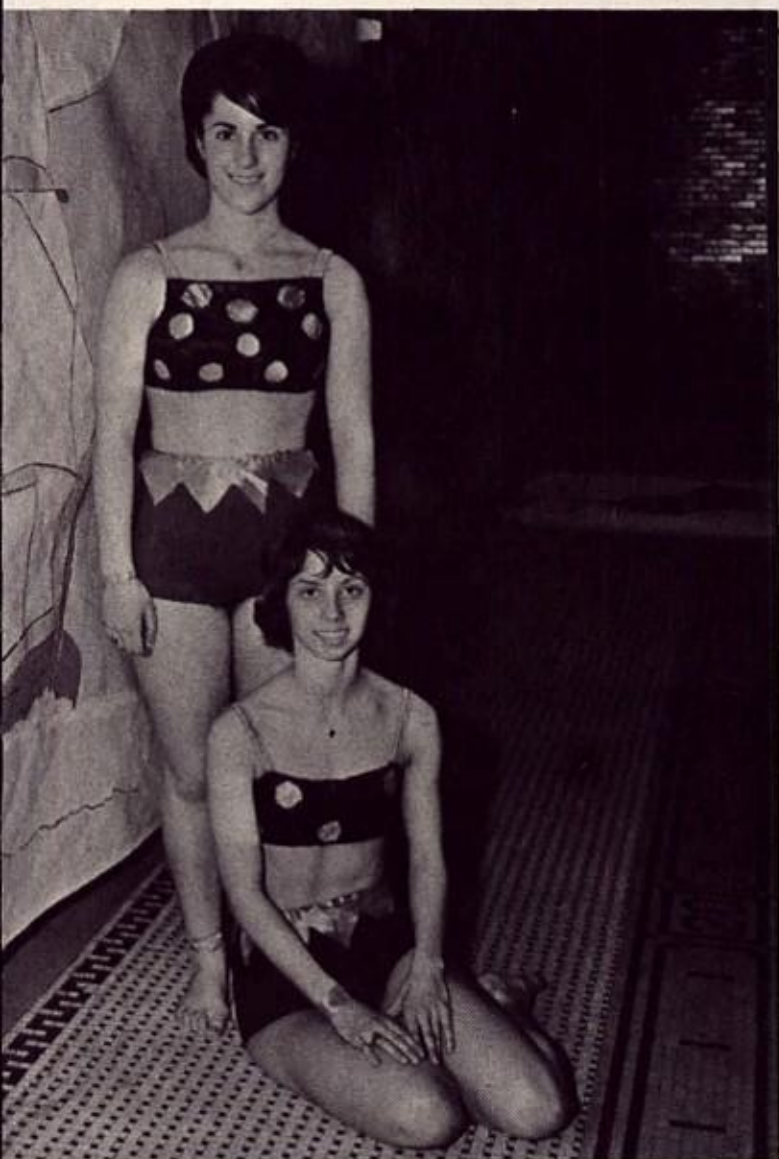

Cindy Kish, Cecelia Hale, Cheryl Schmidt and Joyce Koniowsky are ready for their routine, Guns of Navarone.

The cygnets, or "baby swans," have a special number of their own for the show. After their first show, they become Swans and are able to participate in more routines. This year the Cygnets were Diana Lawson, Gail Helt, Marianne Evans, Doris Alderfer, Virginia Vadi-no, Karen Steeves, and Linda Fitz.

Show — Lights . . . Camera . . . Action.

The girls try to work many different formations into their routines. By using interesting formations, variety is added to the show.

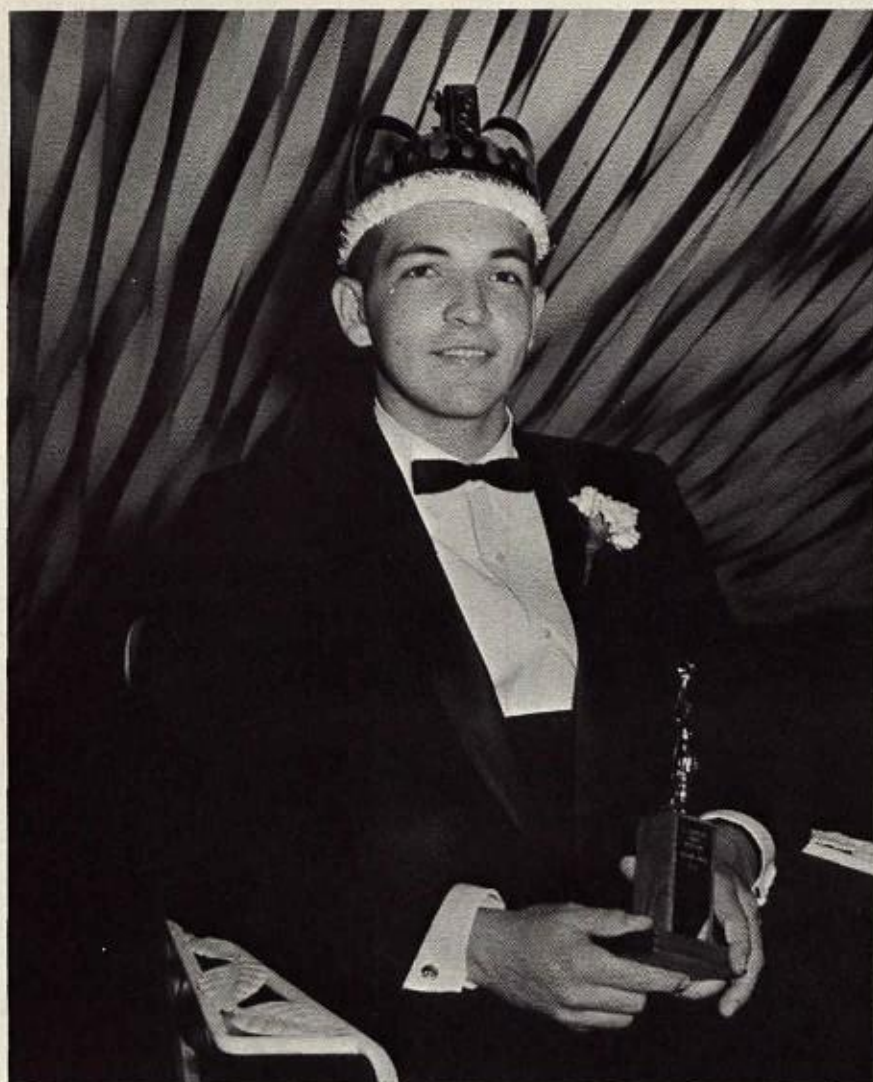

Interesting costumes add color to the show. Members of each routine choose costumes that will fit their music and look good in the water. Many times props are used to focus on the theme and add atmosphere to the routine.

Football Half Time.

The McDonald High School Band under the direction of Robert Paxton, and assistant director, Glen Phillips, provides an excellent opportunity for musical and marching training for the McDonald High School student body. The McDonald High School Band, considered one of the best small

school bands in the area, presents halftime entertainment at the home football games, and for the first time in the history of the band, presented halftime entertainment at the away football games. The band also marches for pep rallies and for the village of McDonald on national holidays.

Students in the News . . .

CAN CAPER -- These impetuous students, Virginia Vadino, Bonnie Essad, and George Wishak, in a spirit of sharing and charity, unlawfully solicited canned goods for McDonald's needy. The extremely trying ordeal, however, was straightened out, and the cans they collected were distributed to the needy.

HISTORY WINNER -- Barbara Black scored first in Trumbull County on the Ohio History and Government Test. She won the honor to compete in another statewide test at Ohio University at Athens.

MERIT TEST WINNER -- Thomas Johnson, a McDonald High Senior, placed as a semi-finalist in the National Merit Qualifying Test. Tom went on to rank as a finalist among the top seniors in the nation. Tom is the first student in the history of McDonald High to gain recognition on this nationwide test.

VOLUNTEER SERVICE -- Candy Stripers Sylvia Wellington and Kathy Round won awards for devoting the most hours as volunteers at St. Elizabeth Hospital.

Five New Members Selected

The 1966 Roller Staff spends long hours designing and preparing the yearbook for publication. Although the deadline nears and pressure mounts, layouts must be drawn and copy must be written.

The hard work and pressure of meeting deadlines is bewildering at first but the final result, the 1966 Roller, makes it well worth the effort.

To Carry on Yearbook Tradition

Mr. Acri, yearbook photographer, comes to the school many times during the year to take pictures. Mrs. Mary Ann Baldwin and Mrs. Karen Collins, staff advisors, check and okay all layouts, designs, and copy before sending them to be published.

Carol Siranovic, Dave Barrett, and Martha Rishel unwind following a tension-filled day of drawing up layouts and writing copy.

John Johnson, Mike O'Hara, and Della Lawson find that ingenuity is a must for developing original ideas to complete the process of rolling Rollers.

Student Council . . . a Miniature Government.

"There are cans everywhere you look! Where are we going to put them all?" These cries were uttered many times by the committee of Student Council sponsoring the canned goods drive. The competition reached a peak as an all time record of over 2,700 cans were collected for needy families during the Christmas season.

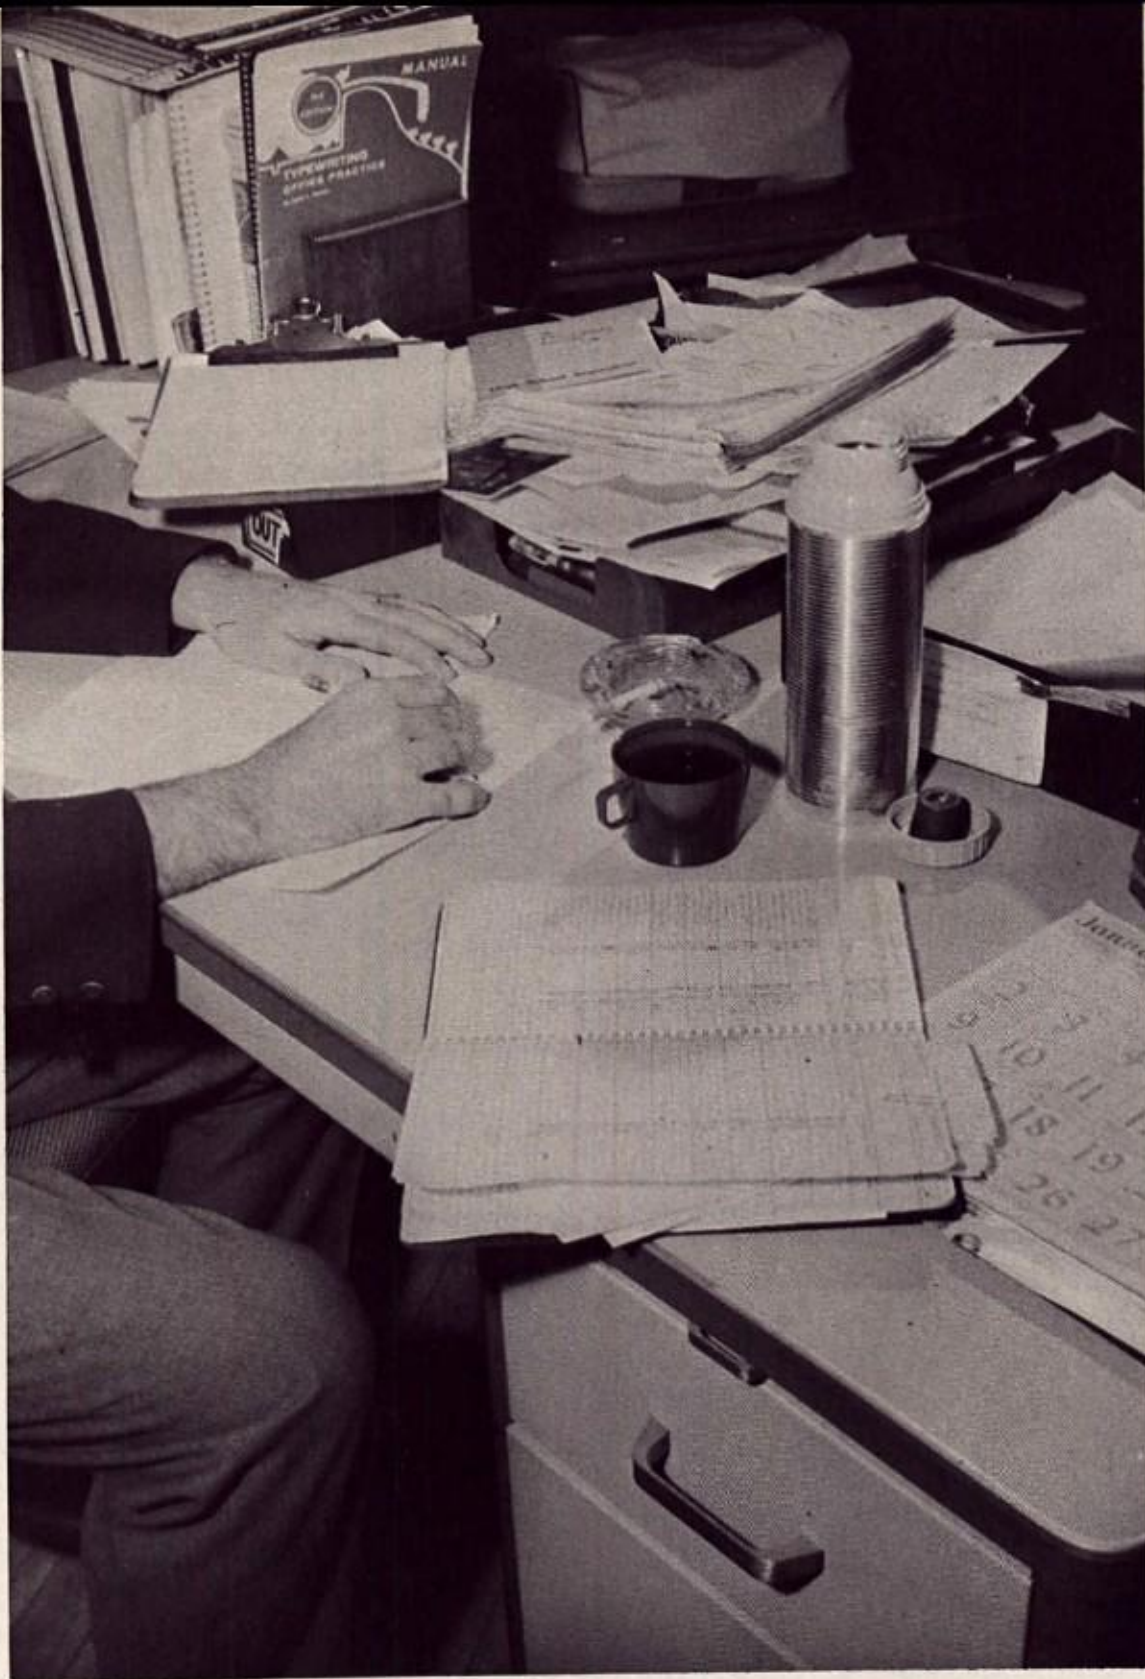

Can committee Frances Bozin, Cheryl Zupon; vice president, Barbara Wheaton; Mary Catherine Dikun; secretary, Martha Rishel; and president, Jon Barb pose with a variety of cans.

McDonald High's student government is the organization which enforces fair school rules. Members of Student Council are the presidents and secretaries of all the homerooms, president of Y-Teens, editor of the Informer, and managers of Swim Club. Student Council also plans a variety of projects: supporting delegates for the Youngstown Youth Conference, holding a Scholarship Banquet at the end of the school year, and sponsoring a booth at the annual P.T.A. Fair. An annual tradition is trimming the M.H.S. Christmas tree.

Proposed Additions and Remodeling

Graduating from Ohio University and receiving his masters degree from Westminster, Mr. John Saganich finds it takes more than formal education to be an administrator. Understanding and willingness to help play a large part in his daily activities.

Reviewing the agenda for the day's errands, Mr. Kukuk finds his duties many and varied.

Supplying information, administering tests, and helping students who are interested in their education are among the many duties of our guidance counselor, Miss Marion.

Head List for Improvement of M.H.S.

Members of the Board of Education are Mr. Loren Jensen, Dr. Marie Krupko, and Mrs. Nick Bellitt.

Mr. Fred Molin, Mr. Robert Scarbrough, and Mr. William Rea survey the proposed additions to the high school. These new additions will extend the educational program and supply the school with the newest equipment.

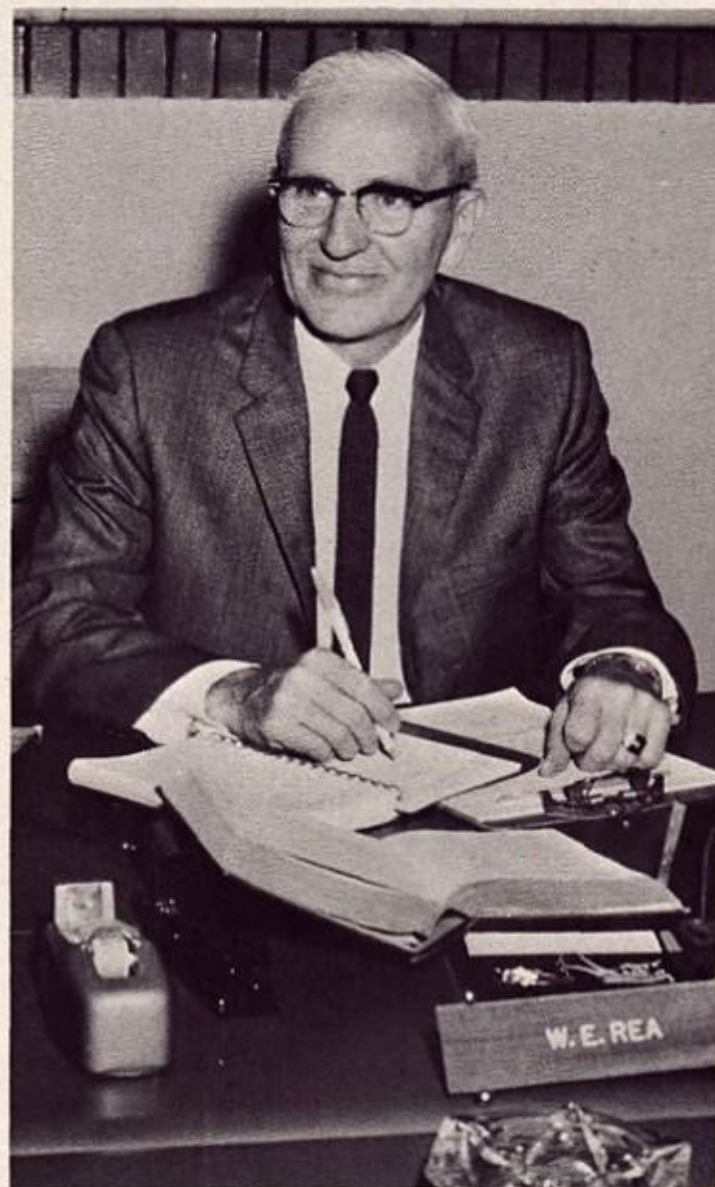

Superintendent's Message

American education must change constantly, not merely for the sake of change, but in order to meet the needs of a changing society as they occur. Stability does have a definite place in the overall scheme of things. Change with little or no regard for proven criteria has contributed very little to the improvement of education in this country. Change, whether planned or random, must result in definite improvement. It is not sufficient that something merely be done differently; evaluation must be a continuous procedure.

Every innovation in education, every modification or addition in curricular offerings, every new instructional technique should have to be justified on the basis of realistic educational criteria.

We, the faculty and administration of the McDonald Public Schools, are constantly planning and evaluating the innovations in education and curriculum that have been tried and found realistic to provide a better educational program for the boys and girls of McDonald Schools. Planned change is orderly, and it is a necessity in the ever-growing school system of this nation.

McDONALD 20 MINERAL RIDGE 0
The Blue Devils had too much moxy for the Ramblers as the Devils completely dominated the game, beating Ridge 20-0. Little Rick McFalls stole the show with two touchdowns, one on a 21 yard scoring pass from Ray Flere and the other a perfectly executed trap for 45 yards.

McDonald Fills Five First-Team

Assistant coach Joe Derenzo, head coach Jack Pierson, and assistant coach, Bob Price, worked together to build one of the finest teams in McDonald's history.

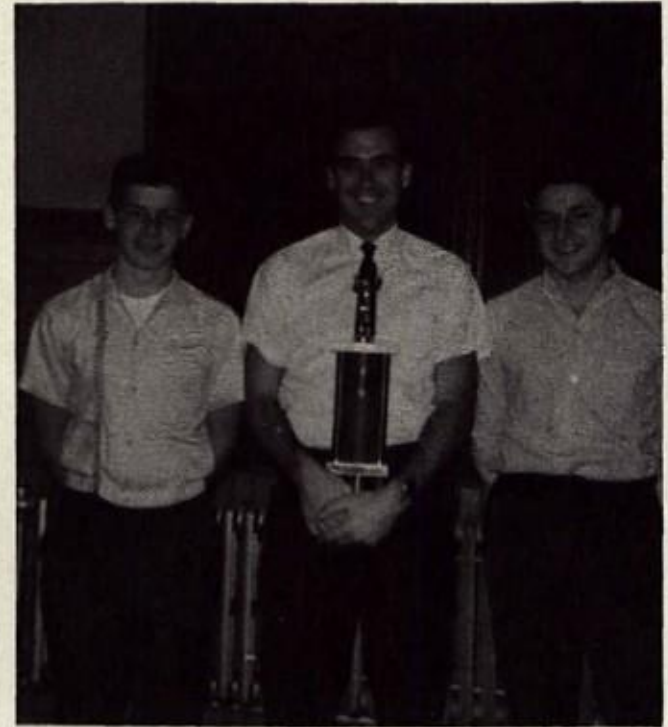

Rivalry at its best. John Budrevich, in behalf of the McDonald Jacees, presents the Good Neighbor Trophy to victorious coach Jack Pierson. The trophy is presented to the winning team of the annual McDonald-Ridge game. If a team should win the yearly clash 3 consecutive years, it maintains possession permanently.

One of the reasons why McDonald allowed only 12 points all season is 5' 11", 210 pounds Jack McCombs. For his outstanding defensive play, Jack was selected for the 1st team, All-Ohio Defensive Team.

The 1965 Jr. High Football team, coached by Bill Carson, won McDonald's first junior high football trophy with a 6-0-1 record. Ed Stonestreet and Jim Morgan were two standouts on the team.

Youth and the World

"There is many a battle that's yet to be won.
There is many a glorious deed to be done.
The world is still young! For the youth at
its door there are tasks some shall do
never dreamed of before.
It is not an old world, worn and wrinkled
and gray,
It's a world that is being reborn every day."

Just remember this ... Class of '66
The old cliché ... "you get out of it what you put into it" ...
has become a cliché because it speaks true! You DO get out of it
what you put into it!

Be ALIVE ... don't just LIVE! SEE ... don't just LOOK!
LISTEN ... don't just HEAR! THINK ... don't just ACCEPT!

That way you'll savor and enjoy all that is beautiful, illumi-
nating and inspired. You'll reject the cheap, tawdry, the sen-
sation of the moment. You'll speak up against evil and prejudice
and ignorance. You'll PARTICIPATE.

That's the only way to be ALIVE!

As the last pages of the yearbook are turned, the staff wishes to express its appreciation to the administration, the faculty and students, our photographer, Mr. Acri, and the business machines class for their help in producing the 1966 Roller.

Three,

To a really sharp and nice
sophomore who is a real nut.
I'll never forget all the good
times at my house. Remember the
time at my house when you
picked up the Xmas tree and ran
us, or the time you almost slipped
in my mother's cake. Day we
sure had some riot. Be

Dead, and stay happy.

Always,
A.
